**THE
ULTIMATE
SPORTING
SPECTACLE.**

**FROM THE
BEST SEATS
IN THE HOUSE.**

**YOU CAN GET
CLOSER TO
FORMULA 1[®]**

**BUT ONLY
BY JOINING
A TEAM.**

GET CLOSER.

This is it: the greatest racing
spectacle on the planet.

World-famous heroes,
locked in a furious battle.
Their weapons: the ultimate
sporting machines, tuned to
technical perfection.

This is Formula 1®. And no one
except the teams themselves
gets closer to the loud, bright
heart of it all than the guests
of the Paddock Club™.

Welcome to an experience
like no other.

**NO OTHER
SPORT DOES
HOSPITALITY
LIKE THIS.**

**FOR OVER 30 YEARS, THE
PADDOCK CLUB HAS BEEN
IN A CLASS OF ITS OWN.**

From the start, we've pioneered an experience way beyond the champagne-and-chit-chat template of most sports 'hospitality'.

The Paddock Club™ is about more than just exquisite dining, beautiful spaces and delightful service. The real prize is the incredible access you get to the heart of F1®.

Come with us for an exclusive tour of the pit lane, and chat with engineers. Try lifting a Grand Prix trophy (rather than just staring at it through glass). Or let us take you on a guided tour of the track.

Time and time again, we hear guests say: 'I didn't expect I'd be able to do that!' So ditch the expectations. This is about getting up close and personal with the world's most glamorous sport. This is how Formula 1® does hospitality.

**THE BEST
OF THE BEST
IN THE
WORLD.**

There's no room for compromise in Formula 1®.

A dramatic night-time photograph of a Formula 1 driver celebrating a victory. The driver, wearing a racing suit with 'Santander' and 'Paddock Club' logos, stands triumphantly on the rear of their Mercedes-AMG Petronas F1 car. The car is dark with prominent silver and blue accents, featuring 'Pirelli' and 'WILLIAMS' branding. To the left, another Mercedes car is visible, with a crew member working on it. To the right, a Red Bull Racing car is parked. The background shows the illuminated grandstands of a race track, with 'SINGAPORE AIRLINES' banners visible. The scene is lit by bright track lights, creating a high-contrast, celebratory atmosphere.

These 20 drivers are the greatest in the world. The cars are masterpieces of engineering. And the spectacle is second to none.

The same goes for the locations. These are among the jewels of the planet. Spread across 21 countries from Australia to Asia, the Middle East, Europe and the Americas.

In the Paddock Club™, you have a uniquely privileged vantage point above the team garages, with a clear view directly over the start and finish line and into the pit lane.

The only difference is in Monaco, where the Paddock Club is located on the celebrated Rascasse Corner, with stunning views over the track.

**YOUR DIRECT
LINE TO THE
HEART OF
THE ACTION.**

**THE PADDOCK CLUB™ ISN'T
JUST ABOUT WATCHING THE
RACING - IT'S ABOUT BEING
PART OF THE SPECTACLE.**

You're in the thick of the Grand Prix from the moment you arrive, with dedicated access and reserved parking.

You can even arrange to visit the pit lane - an exclusive Paddock Club experience that gives you an unforgettable insight behind the scenes of Formula 1®.

This year, we've introduced the unprecedented opportunity to visit the F1 Paddock itself. This is the heart of the heart of the action - a thrilling hubbub of drivers, teams, engineers and media. It's an experience most F1 fans can only dream of.

You'll have the chance to experience Grand Prix racing for yourself in our simulators. Grab a photo op on the winners' podium. (Drinking champagne from your shoe is optional.) Or jump on board a drivers' parade truck, for a guided lap of the track with our experts.

We want you to leave us bursting with enough stories, insights and memories to fuel conversations long after the weekend is over.

A black and white photograph of Lewis Hamilton, wearing a white Mercedes racing suit with 'PETRONAS' and 'BOSS' logos, and a Mercedes cap. He is lying horizontally across the frame, smiling broadly, surrounded by a dense crowd of fans. Many fans are holding up smartphones to take photos or videos. Hamilton's right leg is raised and bent, with his foot pointing towards the left. The background is filled with the faces and hands of the crowd, creating a sense of being in the middle of the celebration.

DINE OUT ON INCREDIBLE STORIES.

In the Support Race Paddock, you can get up close to the cars of our exciting Support Races such as Formula 2™, GP3 Series™, the Porsche Supercup or the Ferrari Challenge.

You'll also be mixing with the F1 stars of the future. Drivers like Lewis Hamilton, Nico Rosberg and Romain Grosjean all honed their skills in these championships. So there's every chance you'll spot a future champion in the Support Race Paddock.

There's so much to discover with a Paddock Club pass, it can be hard to keep track of it all. Or it would be, if it wasn't for the F1 Grand Prix app.

Get all the details of your day, all in the palm of your hand. Plus, of course, all the race updates and a live social feed.

Download the app free for iOS and Android.
