Superyacht Location

SUPERYACHT LOCATION

Located in Zone 1 of Port Hercule, our Superyacht “KIJO” is located in it’s prime berth on the T-bar, offering a range of practical advantages.

Once aboard, you’ll appreciate the convenience of reaching the Harbour on foot. A designated walking route, clearly marked on the map, guides you over the Rascasse Bridge, leading you directly into the heart of the action.

From the yacht, guests enjoy views of the racing spectacle, views of the big screens and have the added benefit of easy access to Grandstands O, N, and P.

While those on yachts moored in other parts of the Harbour contend with potentially lengthy waits for tender transfers from Fontvieille Harbour, our guests can freely come and go from the yacht throughout the day, regardless of the racing schedule. This flexibility allows you to explore all the offerings of the event weekend at your own pace.

NB Please kindly note the final yacht position is subject to change.

Our Prices

The Formula One Monaco Grand Prix spans four exciting days – Thursday 23rd, Friday 24th, Saturday 25th, and Sunday 26th. While attendance on all days isn't obligatory, you have the flexibility to choose from various "Hospitality Only" options, available on a per-person basis.

For those seeking a comprehensive experience, we present our "Inclusive Packages", seamlessly blending Superyacht Hospitality with Accommodation and Transfers. Additionally, guests have the option to enhance their experience by reserving a Grandstand Seat for an alternative race view. Please kindly note that the Grandstand Seat is not included with any of our packages. Whilst our Superyacht offers exceptional views, we understand the value of choice. We believe many of our guests will appreciate the freedom to enjoy both perspectives throughout the weekend. Kindly note the Grandstand Seat prices listed below adjacent to our "Superyacht Hospitality Only" under the title "Optional Grandstand Seat".
